

FENCING AND HANDRAILS

Unlimited possibilities with our aluminum fencing and handrails. From Tampa to Naples, CRA has you covered.

long lasting and attractive fencing and railing for Florida homes

CRA's high-quality, low-maintenance aluminum handrails and fences are built with style and safety in mind. They are designed to attractively provide maximum protection and safety for almost any purpose.

Our fencing comes in a variety of styles, colors and heights. Each type of aluminum fencing is designed to provide years of maintenance-free beauty and protection to areas you wish to protect most.

Aluminum handrails are engineered to provide interior and exterior protection on balconies, porches, landings, stairways, and more. Like our fencing, our handrails come in many styles for any part of your home including wire fill and even glass panels for a sleek modern look.

CRA can even custom manufacture a fence or handrail to your designer or architect's specification for seamless integration into your surroundings.

experience you can trust

For over 20 years, Commercial Residential Aluminum has been fabricating and installing railing, handrail and fencing to both commercial and residential clients throughout Florida's Gulf Coast.

Many of Florida's noteworthy schools, airports, stadiums, museums and municipalities have trusted CRA to provide safe and reliable railing, handrail and fencing in tough environments and high traffic areas. Why should your home be any different? Trust the experts to recommend, build and install what is right for your project on time and on budget.

Long lasting beauty and premium protection does not have to come at a premium price.

Lots of options. Our team will help you make the right choice for your home and budget.
