

Bringing you custom aluminum solutions for your home for more than 25 years!

You're Covered

Our team of consultants, engineers, builders and service technicians serve homeowners of the Gulf Coast of Florida from Greater Tampa all the way to Naples from our facilities in both Venice and Ft. Myers.

Company Profile

- Specializing in both residential and commercial custom aluminum fabrication and high-quality pool enclosure design and technology.
- Exclusively available through CRA, our patented Channel Lock Self-Mating Beam is revolutionizing the aluminum industry. Our beam reduces deflection, resulting in a stronger beam design. We span further distance, which enables us to produce pool cages less expensively. We pass that savings on to our clients who receive a superior product at a lower price.
- Our owners, Tom Teffenhart and Perry Hickok, have over 50 years combined aluminum industry experience.
- Our professional team is committed to our client relationships, and our installers are well trained, dependable and experienced CRA employees
- We carefully select our material suppliers so that our clients receive an exceptional end product.
- CRA services individual homeowners as well as some of the most recognized home builders, pool companies and commercial contractors including Neal Communities, Pulte, WCI and Coast to Coast Pools to name a few...
